* Choose from a faculty-approved list of courses (sequence of elective courses at the student's discretion).

+ Six credits of electives must be at the 300 level.

** Dsn S 110 can be substituted for Dsn S 115.

All architecture courses taken toward degree fulfillment, including those taken as general electives, must be taken for a grade. Only non-architecture, general electives, can be taken under the pass/not pass option.
