

## **Julia M. Badenhope, FASLA**

Associate Professor of Landscape Architecture  
Director, ILR Community Visioning Program

### **Education**

Master in Landscape Architecture, Harvard University Graduate School of Design, 1992  
Bachelor of Science in Agriculture with Honors, University of Tennessee, 1987

### **Academic Experience**

Associate Professor of Landscape Architecture, Iowa State University, 1999-present  
Extension Specialist in Landscape Architecture, Iowa State University, 1993-2001  
Assistant Professor of Landscape Architecture, Iowa State University, 1993-1999  
Adjunct Assistant Professor of Architecture, Iowa State University, 1993  
Adjunct Assistant Professor of Landscape Architecture, Iowa State University, 1992  
Graduate Research Assistant, Harvard University Graduate School of Design, 1988-1992  
Graduate Teaching Assistant, Harvard University Graduate School of Design, 1988-1991  
Undergraduate Research Assistant, Plant and Soil Science, University of Tennessee, 1984-5

### **Professional Experience**

Project Manager /Designer, Cummin Associates, P.C., Cambridge, MA, 1989-1991  
Project Designer, Department of Parks and Recreation, New York City, 1989  
Design Intern, Carr Lynch Hack and Sandell, Cambridge, MA, 1988-9  
Conservation Planning Intern, USDA Soil Conservation Service, Knox County TN, 1985-7

### **Recognition and Awards**

- 2012 Fellow, American Society of Landscape Architects
- 2010 Invited Presentation: National Academies of Science and Environmental Design *Roundtable 30: Disaster Resilient Design*, Washington D.C. October 26, 2010  
“Memory, Place Attachment and Change: The Case of Lake Delhi, Iowa”
- 2006 Outstanding Planning Award for a Program, *ILR Community Visioning Program*, (Principal Investigator and Director), American Planning Association (National)
- 2006 Honor Award for Planning and Analysis, *ILR Community Visioning Program*, (Principal Investigator and Director), Central States American Society of Landscape Architects (Regional)
- 2005 Outstanding Planning Award, *ILR Community Visioning Program*, (Principal Investigator and Director), Iowa Chapter of the American Planning Association (State)
- 2005 Honor Award for Planning & Analysis, *ILR Community Visioning Program*, (Principal Investigator and Director), Iowa Chapter of the American Society of Landscape Architects (State)
- 2005 Spotlight Session on Community Involvement and Participatory Research, “Local Voices: Engaging Local Knowledge in Multi-Community Corridor Design.” Annual Meeting of the Transportation Research Board of the National Academies of Science and Engineering. (Invited, National)
- 2004 Top Five Paper for “Local Voices: Engaging Local Knowledge in Multi-Community Corridor Design.” Ninth Annual Conference of the Committee on Transportation Planning for Small and Medium-sized Communities Transportation Research Board of the National Academies of Science and Engineering (Peer Reviewed, National)
- 2003 Environmental Excellence Award, Excellence in Creating Livable Communities, *ILR Community Visioning Program*, (Principal Investigator and Director), Federal Highway Administration (National)
- 1998 Faculty Award for Extraordinary Performance, Iowa State University College of Design
- 1998 Honor Award: Outstanding Contribution to the Profession, Iowa Chapter American Society of Landscape Architects (State)
- 1998 Outstanding Research Mentor, “Celebrating Research: Integrating Knowledge and Creativity,” Iowa State University Honors Program
- 1997 Merit Award in Communication, *Los Angeles River: From Infrastructure to Amenity*, (team member), American Society of Landscape Architects (National)

Recognition and Awards, *continued.*

- 1997 W. Robert Parks Honors Commendation: Outstanding Faculty Member  
Iowa State University Honors Program
- 1997 Nomination, Fellow of the Iowa Academy of Science
- 1996 New Professional Award, Iowa State University Extension
- 1996 Certificate of Appreciation, for *Sleeping Bear Dunes Planning Study*, United States  
National Park Service
- 1995 Excellence in Extension Individual Study Award, Iowa State University Extension
- 1994 Excellence in Extension, Iowa State University Extension
- 1988 Tennessee Water Quality Award, *James Thompson Farm Plan*, (Conservation Planning  
Intern), Tennessee Association of Soil and Water Conservation Districts (State)
- 1987 Tennessee Water Quality Award, *Johnny Stoeffel Farm Plan*, Conservation Planning  
Intern, Tennessee Association of Soil and Water Conservation Districts (State)
- 1987 National Collegiate Soil Judging Contest, 3rd place team, 11th place individual,  
Fort Collins, Colorado representing the University of Tennessee Knoxville (National)
- 1986 R.J. Reynolds Excellence in Agriculture Award, University of Tennessee  
College of Agriculture
- 1985 Joseph N. Shinoda Memorial Scholarship in Floriculture, University of Tennessee and the  
American Society for Horticulture Science
- 1984 Alpha Zeta: Agriculture Honor Society

### Symposia, Professional Conferences, Workshops and Exhibitions

- 2011 Peer Reviewed Symposium: *Community Design, Local Knowledge and Crowd Sourcing: News from the Digital Front* at *Make No Little Plans*, Environmental Design Research Association Annual Meeting. Chicago, Illinois. May. (International)
- 2005 Invited Workshop: “Charrette in Community Infrastructure Planning,” with Timothy O. Borich. University of Illinois Department of Urban and Regional Planning and University of Illinois Extension Community and Economic Development. Macomb, IL September.
- 2004 *Form and Content: Studying the Environment of Senior Communities* Symposium and roundtable workshop. Organizer and presenter. Sponsored by Iowa State University Extension to Communities and the Iowa Department of Transportation
- 2003 Invited exhibition and workshop: *Case Study: Community Visioning. 1999-2002 Program elements, process evolution, and community impacts*. North Center Regional Center for Rural Development Programming Summit. Hometown Perry, Iowa.
- 1998 Symposium and Exhibition: *Landscape as Art* Proposed and curated, with Brett Douglas. Iowa Chapter American Society of Landscape Architects and the Des Moines Art Center: Des Moines, Iowa. July 25–August 2.
- 1998 Professional Conference (Chairperson): *Roadside Management and Planting Design*. College of Design and the Des Moines Art Center: Ames and Des Moines, IA. Sponsored by Iowa State University Extension, the Living Roadway Trust Fund, and the Iowa Chapter American Society of Landscape Architects
- 1997 Symposium and Exhibition: *Landscape Art and Sustainability* Proposed and curated with Kristin Schwab. Iowa Chapter American Society of Landscape Architects and the Des Moines Art Center: Des Moines, Iowa. August 22–31.
- 1997 Professional Conference (Chairperson): *Roadside Design* State of Iowa Historical Building: Des Moines, Iowa. Sponsored by Iowa State University Extension, Iowa Department of Transportation, and the Iowa Chapter American Society of Landscape Architects
- 1995 Professional Conference. *Water in the Landscape: Sustainable Management, Design, and Technology for the Midwest*. Chairperson. Holiday Inn Conference Center: Davenport, Iowa.
- 1995 Professional Conference. *Play Space: Perspectives of Designers and Educators*. Chairperson. Scheman Building: Ames, Iowa. Sponsored by Iowa State University Extension and Institute for Design Research and Outreach, the Iowa Playground Safety Committee, and the Iowa Chapter, American Society of Landscape Architects
- 1994 Professional Conference. *Regenerative Planting Design: Technique and Practice*. Chairperson. Ramada Inn Conference Center: Des Moines, Iowa. Sponsored by Iowa State University Extension and Department of Landscape Architecture, and the Iowa Chapter American Society of Landscape Architects
- 1994 Professional Conference. *Designing the American Dream: Emerging Perspectives in Community Design*. Chairperson. Scheman Building: Ames, Iowa. Sponsored by Iowa State University Extension to Communities and Institute for Design Research and Outreach, and the Iowa Chapter American Society of Landscape Architects
- 1993 Professional Conference: *Stone and Masonry Materials*. Chairperson. Gateway Holiday Inn: Ames, Iowa. Sponsored by the Iowa State University Department of Landscape Architecture and the Iowa Chapter American Society of Landscape Architects.

### Selected Paper and Poster Presentations

- 2011 Peer Reviewed Presentation: “Using Volunteered Geographic Information in Citizen-led Transportation Planning,” *Make No Little Plans*, Environmental Design Research Association Annual Meeting. Chicago, Illinois. May. (International)
- 2010 Invited Presentation: “Memory, Place Attachment and Change: The Case of Lake Delhi, Iowa.” Primary author, with J. Timothy Keller. *National Disasters Roundtable 30: Disaster Resilient Design*, Sponsored by the National Academy of Environmental Design and the National Academy of Engineering. Washington D.C., October. (National)

Selected Paper and Poster Presentations, *continued*

- 2010 Peer Reviewed Presentation: "Transportation Assessments that Work: Combining Community Learning and Research Strategies." *Tools of the Trade*: Biennial Meeting of the Committee on Transportation Planning for Small and Medium-sized Communities, Transportation Research Board of the National Academies of Science and Engineering. Williamsburg, Virginia. September. (National)
- 2010 Peer Reviewed Presentation: "Effects of Grassroots Transportation Enhancement Planning on Rural Places." Co-author with Sandra Oberbroeckling. *Policy & the Environment: Establishing Ground Rules through Environmental Design Research*. Environmental Design Research Association Annual Meeting, Washington, D.C., June. (International)
- 2008 Invited Presentation: "Iowa's Living Roadways Community Visioning Program: A Strategy for Integrating Design and Community Development ." North Central Regional Planning Roundtable. North Central Regional Center for Rural Development Special Event, in conjunction with Town/Craft. Perry, Iowa. February.
- 2007 Invited Presentation: "Iowa Small Towns in the Bioeconomy." *Community Futures 2007 – The Small Town in the Bioeconomy Conference*. Iowa State University, Ames, IA April.
- 2006 Peer Reviewed Presentation: "Re (presenting) Site/Re (claiming) Place." Co-authored with Joern Langhorst. Environmental Design Research Association Annual Meeting. Detroit, Michigan. June. (International)
- 2005 Peer Reviewed Presentation: "Re (presenting) Site/Re (claiming) Place: Studio Strategies." Primary author, with Joern Langhorst. Council of Educators in Landscape Architecture Annual Meeting. Athens, Georgia. October. (International)
- 2005 Invited Presentation: "Local Voices: Engaging Local Knowledge in Multi-Community Corridor Design." Spotlight Session on Community Involvement and Participatory Research, Annual Meeting of the Transportation Research Board of the National Academies of Science and Engineering. Washington, D. C. January.
- 2004 Peer Reviewed Presentation: "Local Voices: Engaging Local Knowledge in Multi-Community Corridor Design." Transportation Research Board of the National Academies of Science and Engineering, Committee on Planning for Small and Medium Sized Communities. 9th National Conference on Transportation Planning for Small and Medium-Sized Communities. Colorado Springs, Colorado. September.
- 2003 Peer Reviewed Poster: "Visual Quality Assessment in Transportation Enhancement Projects." Annual Meeting of the Transportation Research Board of the National Academies of Science and Engineering. Washington, D. C. January.
- 1998 Invited Presentation: "Integrating Ecology in the Curriculum," co- author with Jack Ahern, Robert France, Michael Hough, Jon Burley, Wood Turner, Stephan Schmidt, David Hulse, and Grant Jones. *The Shire Conference: From Theory to Practice: Teaching Ecology in Landscape Design and Planning Programs*." Skamania Lodge, Columbia River Gorge: Washington. July.
- 1998 Invited Presentation: "Ephemeral Beauty: Designing for Color, Light, and Other Landscape Phenomena." In conjunction with *Landscape as Art* Symposium. American Society of Landscape Architects and the Des Moines Art Center: Des Moines, Iowa. July. (State)
- 1998 Peer Reviewed Presentation: "Landscape Architecture Extension: Internet Technologies for Community Outreach," Primary author with Chris Seeger. Design Communication Association National Biennial Conference. Tucson, Arizona. January. (National)
- 1997 Invited Presentation: "Community Action and Visionary Thinking," at *Roadside Landscapes*. Primary author with Craig Ritland, FASLA. Iowa Chapter American Society of Landscape Architects Annual Meeting. Des Moines, Iowa. September.
- 1996 Invited Presentation: "Flood Management and Water Conservation: Re-Greening the Los Angeles River" in conjunction with community assistance team project "Los Angeles River: From Infrastructure to Amenity." Annual Meeting of the American Society of Landscape Architects, Los Angeles, California. October.

#### Selected Paper and Poster Presentations, *continued*

- 1996 Invited Presentation: "Community Visioning: Mobilizing Volunteers in Improving Transportation Landscapes Through Grass Roots Community Action." Transportation Research Board Landscape Committee Annual Conference Dubuque, Iowa. July. (National)
- 1996 Invited Presentation: "Restoring the Montane Ecosystem: Cultural Approaches to Landscape Change," at Redesigning Nature? Human Influence, Ecological Restoration, and the Crisis of Jasper National Park (Symposium). University of Alberta and Parks Canada-Jasper National Park. University of Alberta: Edmonton, Alberta. April. (International).

- 2000 *Defining "Environmental Corridor": A Summary of Resident Perspectives on Iowa U.S. Highway 20 Co* Ames, Iowa: Iowa State University Landscape Architecture Extension

#### Teaching and Advising

##### Iowa State University Courses

- 2006-present *Advanced Plant Technologies*. Integrated systems plant, soil and structural systems.  
*Community Design Studio*. Landscape Architecture capstone studio- advocacy planning and design.  
*Fundamentals of Planting Design*. Physical design, emphasizing ecological and cultural basis of planting design.  
*Introduced Plants of the Midwest*. Plant biogeography and introduction, selection, planting design.
- 2001-6 *Advanced Interdisciplinary Design* (College Option Studio). Trans-disciplinary urban design.  
*Advanced Landscape Architectural Design*, in conjunction Arch 404 and Arch 603.  
Trans-disciplinary urban design. With Jamie Horwitz and Tom Leslie.  
*Undergraduate Thesis Preparation, Undergraduate Thesis Studio*. Directed studies leading to the completion of a written thesis or creative work, substituting for capstone studio. With Mira Engler.  
*Introduction to Planting Design*. Planting design history, compositional techniques and construction documentation. With Gary Hightshoe.

Iowa State University Courses, *continued*

- 1998-2001 *Principles of Research for Landscape Architects*. Qualitative and quantitative research methods, research processes, and practical research skills leading to graduate thesis research. With Paul Anderson.  
*Site Planning and Design II*. Development of conceptually rich proposals for complex sites using systems, ecological, and cultural theory. With Joern Langhorst.  
*Introduced Plants of the Midwest*. Plant biogeography and introduction, selection, planting design.
- 1993-8 *Landscape Approaches to Environmental Planning*. Summer intensive studio for science and landscape architecture students introducing spatial dimensions of ecology and physical planning.  
*Open Space Design in the Contemporary City*. University honors seminar emphasizing the interplay of natural systems, place culture and social life in urban design.  
*Landscape Process: Landscape Change*. Intensive study of landscape processes underpinning dynamic landscape change. Field study, seminar, and case study research.  
*Studio in Landscape Resource Management*. Required graduate studio emphasizing landscape planning theory, landscape ecology and ethical practice.
- 1992-3 *Architectural Design VI*. Rome, Italy. Architectural design critically engaging Roman history and building technologies. With Matthew Fisher.  
*Architectural History and Theory*. Rome, Italy. Geology, hydrology, historic use of landscape as a source of building materials, infrastructure system conception and development, and development of villa and urban culture and forms.  
*Advanced Planting Design*. Conceptual investigation of plants in the built landscape, design and representation strategies to develop ideas, technical aspects of urban planting design.

- 1992 Alternative Futures Studio (Report), Professor Carl Steinitz
- 1991 Plants and Design, Professor Michael Van Valkenburgh
- 1990 Streams and Lakes in Environmental Planning, Assistant Professor Michael Binford
- 1989 Case Studies in Landscape Architecture, Assistant Professor Elizabeth K. Meyer
- 1990-2 Archive Research and Photo-documentation, Assistant Professor Steve Irvin
- 1988 Introduction to Planning and Design of Landscapes, Professor Michael Van Valkenburgh

### Extension And Professional Practice

#### Extension Publications

- 2006 Editor, *Street Design in Community Contexts: A Literature Review* Ames, Iowa: Iowa State University Extension, PM 2030
- 2006 *Iowa's Living Roadways Community Visioning Program Process Manual* Ames, Iowa: Iowa State University Extension, PM 2029
- 2005 *Roadside Design in Communities: Planting Guidelines for Community Beautification*. Ames, Iowa: Iowa State University Extension, PM 2003.

#### Extension Programs

##### *Iowa's Living Roadways Program*

Transportation planning assistance provided to rural communities with populations below 10,000 persons. Integration of place based planning methods and research based assessments prior to design. Lead the involvement of private sector landscape architects and professional design interns in design phase to enhance productivity and bring practical expertise to local setting. Facilitation provided by non-profit partner. Funded by Iowa Department of Transportation.
