

Graduate Special Topics Form

L A 590

Student Name _____ **Major** _____

Email Address _____ **ID Number** _____ **Term/Year** _____

Credit 1-4. Fall, Spring, Summer. Prereq: Written approval of instructor and program director on required form. Investigation of an approved topic of special interest to the student. Election of course and topic must be approved in advance. To be submitted to the department chair with all other signatures in place no later than the 3rd week of the semester in which enrollment is requested.

LA 590 is a contractual agreement between student and instructor. The person who requests the study is responsible for proposing its central idea. The details then must be negotiated between the student and a faculty person who has the time, interest, and qualifications to supervise the work. Mutual agreement must be reached before work can begin or indeed, before enrollment in the course can be secured. Completion of this form, including its signatures, is a precondition for enrollment in LA 590.
