College of Design at Iowa State University

Mission
Our mission is to educate students to become successful designers, planners, artists, scholars and citizens who improve the quality of life, enhance human experience and advance environmental sustainability; and to serve as a resource for Iowa and beyond through research, creative endeavors, extension and outreach.

Values
We value innovation, curiosity, collaboration, open exchange of ideas, diverse perspectives, and environmental and social responsibility.

Vision
Our vision is for College of Design faculty, staff, students and alumni to increasingly be known for their ability to lead interdisciplinary processes and draw upon their disciplinary expertise to generate informed, innovative responses to challenges and opportunities.
