## MESSAGE FROM THE DEAN OF THE COLLEGE OF DESIGN

---

Dear Graduates,

On behalf of the College of Design, we offer our sincere congratulations on your graduation. We are proud of you and the hard work that has brought you to this milestone.

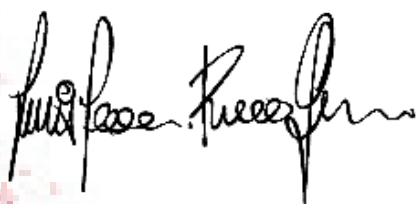

Throughout your time in the College of Design, we have trained you to engage the world in an ongoing artistic process. We trained you to create the artifacts that allow us to interact with information, to make our life more comfortable, more productive, and more beautiful.

Use your skills and talents to create a world for you, your family, and future generations. Create this new world in a way that everyone, regardless of nationality or economic or social status, has access to the best of it.

We encourage you to stay involved with the College of Design and your fellow Cyclones. Staying connected benefits both you and our university. We need your talent to continue to improve the College of Design and create new opportunities for the next generation of innovators.

You are forever a part of the family of the College of Design. Keep in touch and let us know what's next.

Sincerely,

A handwritten signature in black ink, appearing to read "Luis Rico-Gutierrez". The signature is fluid and cursive, with a large initial "L" and "G".
