

B. Arch Curriculum

+ MINOR (15 CH)

Preservation & Cultural Heritage

The College of Design's undergraduate Minor in Preservation & Cultural Heritage will be offered for the first time in Fall of 2021. The Minor provides students with knowledge, skills, and credentials that complement undergraduate degrees in a wide variety of majors, but especially Architecture, Interior Design, Community & Regional Planning, Landscape Architecture, and History.

To these ends, the Minor has two major curricular objectives:

- Provide students with a holistic understanding of historic preservation, drawing from the various departments involved, yet allowing for the development of expertise within a student's specific major.
- Provide a curriculum that conforms with the National Council for Preservation Education's pedagogical guidelines and the Federal Government's Professional Qualification Standards for historic preservation.

In addition to two required Architecture classes counting towards this minor, two Arch Electives taken under the "general elective category" (not counted as part of the required Arch classes), can also be applied as required classes:

Arch 567 Preservation, Restoration & Rehabilitation
Instructor: Arvid Osterberg

Arch 568 Historic Preservation
