Courses in dashed boxes/ below dashed line can be taken in a flexible sequence: sample sequence shown

### Internal Program Elective (18 CH, as follows):

#### 9 Credits – History/Theory/Culture Options

Students choose from designated 'HTC' courses. These offerings vary annually and are announced each semester. Regularly offered courses include: ARCH\_ 321, 420, 422, 423, 424, 425, 426, 427, 429, 486, 517, 519, 525, 528A, 529, 558, 567, 571, 575, 576, 597, 598

#### 9 Credits – Professional Options

6 credits must be taken from ANY 'ARCH' designated course at the 300 + level (not including those used to fulfill 'non-elective' degree requirements). Offerings vary and are announced each term. Regular offerings are found in the CATALOGUE

3 credits are taken from any College of Design course including ARCH, but also from - Art History (ART H), Interior Design (ARTID), Graphic Design (ARTGR), Integrated Studio Arts (ARTIS), Community & Regional Planning (C R P), Design (DES), Design Studies (DSN S), Industrial Design (IND D), or Landscape Arch. (L A)

### Non-Major Electives (30 CH as follows):

#### 12 Credits - Social Science and Humanities

(6 must be obtained in the CORE year)

- 6 credits HUMANITIES from approved list (click the link). In addition to the courses found at this link, the B.Arch program will ALSO accept any FOREIGN LANGUAGE class (see link for details of native tongue restrictions)
- 6 credits SOCIAL SCIENCES from approved list (click the link)

Credits may NOT be taken from CoD designated classes indicated on these lists: ART H; ARTID; ARTGR; ARTIS; C R P; DES; DSN S; IND D; L A; Also, cross-listed CoD coursed offered by another department may not be counted.

#### 18 Credits - Open/General Elective Requirement

Choose ANY ISU course on offer (including ARCH), with following restrictions:

- A minimum of 9 credits must carry non-'ARCH' course designations.
- Only 2 credits of Kinesiology (KIN) OR Athletics (ATH) can be applied.
- Only 4 credits of ROTC courses (AFAS, M S, N S) can be applied.
- Courses below minimum requirements of English 150, Math 145 & Physics 111 (ie, ENG 10, 99, 101; Math 25, 30) are not applicable
- Up to nine credits of general electives offered by other departments may be taken as pass/not pass. NO Architecture courses may be taken as pass/not pass including those taken to fulfill general electives.

### Other Requirements (prior to graduation, as follows):

- ENGLISHPROFICIENCY: minimum 'C' required in both Engl 150 & Engl 250. See link for information on transfer credits.
- 3 credits of International Perspectives are required. (These credits are met within the ARCH curriculum upon completion of Arch 220 or Arch 221)
- 3 credits towards the US Diversity requirement. Courses fulfilling this requirement are found HERE. Note that various 'ARCH' courses are listed. These can be used to fulfill this requirement AS WELL as other program requirements. In certain cases, a waiver may be granted for this requirement. More information, particularly for military veterans, is found here.
