Iowa State University’s College of Design is a recognized leader in design education with a mix of disciplines found in few colleges of its type. Building on this foundation, the college’s strategic plan provides focus for the years ahead.

The College of Design’s **MISSION** is to educate students to become successful designers, planners, artists, and scholars, who improve the quality of life, enhance human experience, and advance environmental sustainability; and to serve as a resource for Iowa and beyond through research, creative endeavors, extension, and outreach.

We **VALUE** innovation, curiosity, collaboration, open exchange of ideas, diverse cultural perspectives, and environmental and social responsibility.

Our **VISION** for the College of Design is to be the leading comprehensive college of design in the world. Our faculty, staff, students, and alumni will increasingly be known for their ability to lead interdisciplinary processes and draw upon their disciplinary expertise to generate informed, innovative responses to challenges and opportunities.
