College of Design
Governance Document Amendment Proposal

The title of your amendment, and a one-sentence
statement of purpose

Sponsors (names, ranks or position titles, departments/units)

Existing language in the Governance Document you propose to change, or the context of the new language you're proposing, including section, subsection, etc. markers

The new language you are proposing—with deletions and insertions clearly marked, and including new or updated section, subsection, etc. markers as needed

Form field text properties in Acrobat and Acrobat Reader, for italics, underlining, strikethroughs, and color:
Mac <cmd> + e
Windows <ctrl> + e

Rationale, and background information if needed
