

# Schedule Worksheet – Required for Class Registration

All **fall entry domestic first-year transfer students** will follow the registration chart shown below with your advisor during your registration appointment.

Transfer Student – Review Only
<p>Registration Steps during advising appointment:</p> <ol style="list-style-type: none"> <li>1. Register for DSN S 102 <b>OR</b> DSN S 131 DSN S 102 students must take DSN S 132</li> <li>2. Register for DSN S 115 or save for spring term</li> <li>3. Register for DSN S 183 or a general education course</li> <li>4. Register for ENGL 150* <b>OR</b> ENGL 250* <b>OR</b> General Education Elective</li> <li>5. Register for MATH** <b>OR</b> Science</li> <li>6. Register for Humanities <b>OR</b> Social Science</li> <li>7. If you plan to participate in band or choir, register for the assigned course(s).</li> </ol> <p><b>Note:</b> Community &amp; Regional Planning transfer majors are not required to complete DSN S 131/102/132/183/115. They will take required CRP classes instead.</p>

\* Your advisor will have your English placement, if English is not already complete.

\*\* Placement for MATH courses based on ALEKS Placement test score. Your advisor will have your placement.

## Homework to complete before registration appointment

Before your registration appointment you must complete two very simple tasks!!! **First**, identify time preferences for your required DSN S 102 and/or DSN S 131 studio course. Each studio meets 6 hours/week (3-hour class on 2 different days) with an additional large lecture. Select your time preferences for studio below. These are just preferences and not guarantees. You may end up in a non-preferential time due to availability and your other class times.

<b>DSN S 102</b> – Monday & Wednesday	8:50-11:40 AM	12:05-2:55 PM	
<b>DSN S 102</b> – Tuesday & Thursday	7:55-10:45 AM	11 AM-1:50 PM	
<b>DSN S 131</b> – Monday & Wednesday	8:50-11:40 AM	12:05-2:55 PM	3:20-6:10 PM
<b>DSN S 131</b> – Tuesday & Thursday	7:55-10:45 AM	11 AM-1:50 PM	

**Second**, review the document titled Recommended First-Year Courses in the [homework link](#). The courses listed in the document are divided into the sections of Math or Sciences, Humanities, and Social Sciences. All the courses are appropriate general education courses for first-year students. Identify 3 courses in each section (Math or Sciences, Humanities, Social Sciences) and list the courses on the lines below. Transfer students may have many of these complete, but you are eligible for 300 level courses so selecting subject areas will help guide your advisor.

**Math or Sciences:**

**Humanities:**

**Social Sciences:**

**OnCyte Orientation** – If you are attending OnCyte Orientation, you will receive this worksheet at the college meeting with plenty of time to work on it. You will use this info when you meet with an advisor for registration.

**Virtual Orientation** – If you are completing orientation via the online module, you will receive an advising confirmation email within 2-3 days after you submit the advising request form in the online orientation materials. Complete this worksheet prior to your advising appointment.
