

# Schedule Worksheet – Required for Class Registration

All **fall entry domestic first-year transfer students** will follow the registration chart shown below with your advisor during your registration appointment.

**Transfer Student – Review Only**

Registration Steps during advising appointment:

1. Register for DSNS 1020 **OR** register for DSNS 1310.  
DSNS 1020 students must take DSNS 1320.
2. Register for DSNS 1150 sect. 2 if you enroll in DSNS 1310. Register for DSNS 1150 sect. 1 if you enroll in DSNS 1020.
3. Register for DSNS 1830 **OR** General Education Elective.
4. Register for ENGL based on placement\* **OR** General Education Elective.
5. Register for MATH\*\* **OR** Science.
6. Register for Humanities **OR** Social Science.
7. If you plan to participate in band, choir, or athletics, register for the assigned course(s).

**Note:** Community & Regional Planning transfer majors are not required to complete DSNS 1310/1020/1320/1150. They will take DSNS 1830 and required CRP classes instead.

\* Your advisor will have your English placement, if English is not already complete.

\*\* Placement for MATH courses based on ALEKS Placement test score. Your advisor will have your placement.

## Homework to complete before registration appointment

Before your registration appointment you must complete two very simple tasks!!! **First**, identify time preferences for your required DSNS 1020 or DSNS 1310 studio course. Each studio meets 6 hours/week (3 hour class on 2 different days) with an additional large lecture (times not listed). Select your time preferences for studio below. You may end up in a non-preferential time due to availability and your other class times.

<b>DSNS 1020</b> – Monday & Wednesday	9:55 AM-12:45 PM	1:10-4:00 PM	
<b>DSNS 1020</b> – Tuesday & Thursday	9:00-11:50 AM	12:05-2:55 PM	
<b>DSNS 1310</b> – Monday & Wednesday	9:55 AM-12:45 PM	1:10-4:00 PM	4:10-7:00 PM
<b>DSNS 1310</b> – Tuesday & Thursday	9:00-11:50 AM	12:05-2:55 PM	

**Second**, review the document titled Recommended First-Year Courses located in the 2024 Orientation Worksheets section. The courses listed in the document are divided into the sections of Math or Sciences, Humanities, and Social Sciences. All of the courses are appropriate general education courses for first-year students. Identify 2 courses in each section (Math or Sciences, Humanities, Social Sciences) and list the courses on the lines below.

**Math or Sciences:**

**Humanities:**

**Social Sciences:**
